The Government of Andhra Pradesh in its G.O.Ms.No.18, dated 08-01-99, has approved the transfer of the Management of Sri Y.S. The Govt. of Andhra Pradesh has accorded Minority Status to the College (vide its memo No.2362/M&R/a2/2002 dt. 10.04.2002).

The College owes a great debt of gratitude to Sri Y.S. Raja Reddy family for their generosity in handing over the institution to the Society of Jesus as well as for their continual support for its development.

THE SOCIETY OF JESUS

St. Ignatius of Loyola

St. Ignatius of Loyola, the founder of the society of Jesus, was born in 1491, as the last child of a large Basque family of Spain. The name 'Loyola' came from the ancestral castle which was the family heritage of St. Ignatius. According to the traditions of his family, Ignatius was trained for arms and the etiquette of court life. He enlisted himself in the border wars with France and was badly wounded in battle. As he was convalescing at Loyola, he read Gospel Narratives and the Lives of Saints and was inspired to follow Christ by giving up

all worldly ambitions and trappings of power and embracing a life of poverty, sacrifice and service after the example of his saintly mentors.

He began this new life at the age of 31, and spent a year of severe penance and intense prayer in a solitarycave on the banks of the riverCardoner near the town Manresa. He recorded his experiences in a book called “The Spiritual Exercises” which became the soul and center, the rule and character of every Jesuit who came thereafter. Reflecting on the crisis in the Church of his time, he felt need of the hour was learned and holy priests, free of greed and ambition and ready to serve the poor and to bear witness to the love of Christ for all.

To achieve this objective, he set himself in right earnest to study from grammar school to college and university in the various Spanish centers of learning and finally took his Master’s Degree from the Sorbonne University, Paris. At the same time, he own over a group of brilliant and like minded university men(like St Francis Xavier) moulded them by the Spiritual Exercises and welded them into a religious fraternity which became the society of Jesus. Its members are popularly known as the *Jesuits* in the course of time

Jesuits
